Our Certifications

CE UL LVD RoHS BSCI EMC

Every certification we carry was chosen to remove a specific barrier for our buyers — faster customs clearance, smoother retailer approval and zero compliance risk. Our LED lights clear customs and pass retailer onboarding in 20+ countries without re-testing.

20+ COUNTRIES COVERED	6 INT'L CERTIFICATIONS	100% REPORTS ON REQUEST	3rd PARTY AUDITS WELCOME
---------------------------------	----------------------------------	-----------------------------------	------------------------------------

CERTIFICATES OF COMPLIANCE Issued by BST Testing (Shenzhen) Co., Ltd.

LVD Low Voltage Directive 2014/35/EU No. XDX40250118021901FAC	RoHS RoHS 2 · Battery Box Light String No. XDX43261198051101FHC	RoHS RoHS 2 · 3-Battery Box Light String No. XDX23261198051102FHC	EMC EMC Directive 2014/30/EU No. XDX40250118021901FDC

Power & Plug Options

OEM / ODM CUSTOMIZABLE

Every light set can be built to your market. Choose the power source and the plug standard you need — we customize battery boxes, USB, mains adapters, solar panels and remote / timer functions to match your destination country.

Battery 2×/3× AA BOX	USB 5V POWERED	Plug MAINS ADAPTER	Solar PANEL + STAKE	Remote 8 FUNCTIONS	Timer 6H / 18H AUTO
--------------------------------	--------------------------	------------------------------	-------------------------------	------------------------------	-------------------------------

PLUG STANDARDS AVAILABLE

EU · Schuko / 2-pin	UK · BS 3-pin	AU · I-type	US · 2-pin	Adapter · Interchangeable	IP44 / IP65 · Waterproof
---------------------	---------------	-------------	------------	---------------------------	--------------------------

Custom your way: plug type, cable length & color, LED count, function mode and packaging are all configurable. Send us your target market and we will match the correct plug and voltage — samples available on request.
